

## Annual Income Survey Questionnaire

1. What is your total annual income before taxes?
2. How often do you receive income? (e.g., weekly, monthly, annually)
3. Are you the primary earner in your household?
4. What is the main source of your annual income? (e.g., salary, freelance work, investments)
5. Have you experienced any changes in your annual income over the past year?
6. If yes, please specify the nature of the change (e.g., increase, decrease, stability).
7. Do you receive income from any other sources besides your primary source of income?
8. Are you currently receiving any government assistance or benefits that contribute to your annual income?
9. What percentage of your annual income is typically spent on housing expenses, including rent or mortgage payments?
10. Are there any additional comments or factors related to your annual income that you would like to share?

N/B: This questionnaire is designed to gather information specifically about the respondent's annual income, including sources, changes, and any additional financial support they may receive.
